Rayleigh Grange u3a will make every effort to respect the confidentiality of any information, that is disclosed under this policy and procedure, however due to the seriousness of allegations, confidentiality is not absolute.

Information will be recorded, and stored securely, in accordance with Data Protection Act 2018, but information may have to be shared with the relevant authorities, on a 'need-to-know' basis only, to prevent:

- Danger to a person's life
- Danger to a person's health
- Danger to others
- Danger to the community
- To facilitate the investigation of a serious crime

Courses of action

- Rayleigh Grange u3a's approach to safeguarding, will include members who exhibit health concerns that could put themselves, or others at risk, convictions (previous or pending), that include offences of a sexual or violent nature, inappropriate behaviour exhibited by a member, including sexual advances, bullying, aggression or violent behaviour, harassment, and/or discrimination.
- This can include behaviour exhibited face to face as well as electronic communications or via social media platforms.

- Where the Rayleigh Grange u3a committee becomes aware of a safeguarding concern, steps will be taken, as needed, to ensure the safety of adult/s at risk is secured as a priority.
- The steps to take to address this, will be discussed and agreed between the Executive Officers of the committee in the first instance.
- No committee member will act in isolation when dealing with a safeguarding concern.
- The steps taken should be documented and stored securely in accordance with the Data Protection Act 2018.
- Where the Rayleigh Grange u3a committee becomes aware of a safeguarding concern, the first step will be to gather as much information as possible, to assist with the decision, as to the next steps. A risk assessment will be developed, and recorded as soon as possible, after the concern comes to the attention of the committee.
- Where it is deemed that the risk is high, and immediate action needs to be taken, the Rayleigh Grange u3a committee will contact the relevant authorities, and the Trust for advice and support.
- As far as possible, the adult(s) at risk's wishes, will be respected, as to whether or not to refer any concerns to the local authority as a Safeguarding Enquiry under Section 42 of the Care Act 2014.
- However, it may be necessary to override their wishes in the best interests of other adults at risk.
- In developing the risk assessment, the Rayleigh Grange u3a committee will consider the level of risk, and the action that needs to be taken accordingly.
- Assessment of risk will include:
 - Risk to the individual member
 - Risk to other members within the Rayleigh Grange u3a
 - Reputational risk for the Rayleigh Grange u3a and the u3a movement as a whole
- Where the risk is not deemed to be high, but support is needed, Rayleigh Grange u3a will contact the Trust, to discuss the concerns, and seek additional assistance, in developing the risk assessment.
- Assistance will always be sought, before moving to exclude any member, from the Rayleigh Grange u3a, on the basis of a safeguarding risk assessment.

- Once the risk assessment is completed, the Rayleigh Grange u3a committee will decide as to the most appropriate course of action.
- This could include excluding members from certain groups i.e., groups held in people's homes, requesting that a member attends the Rayleigh Grange u3a with their carer, or excluding a member from a group run by a particular group leader.
- Depending on the nature of the allegation, it may be necessary to pursue the incident, following Rayleigh Grange u3a's complaints or disciplinary procedure.
- Where it is decided that this is the best course of action, the matter will not be investigated by any party that was privy to the initial reporting of the incident.
- All actions taken will be recorded. Any records will remain confidential to the Rayleigh Grange u3a committee, unless a prior decision has been taken, to share the record with the relevant statutory bodies.
